Box Abandonment

Assistant Commissioner for Patents

P.O. Box 1450, Alexandria, VA 22313

Sir:

This is a renewed Petition in response to the Decision on Petition mailed July 9, 2009.

The above-identified patent application became abandoned because applicant's failure to timely file a proper reply to the Office Action letter mailed on June 18, 2008. Applicant hereby again petitions for revival of this application.

The petition fee (37 CFR 1.17(m)) in the amount of the \$1620.00 was enclosed with the prior petition filed April 21, 2009.

Applicant claims a large entity status.

STATEMENT

The entire delay in filing the required reply from the due date for reply until the filing of grantable petition was unintentional.

REMARKS

The Decision on Petition mailed July 9, 2009 states that Applicant lacks the reply required to the outstanding Office action or notice. The filing of this renewed Petition is accompanied by a TWICE CORRECTED AMENDMENT dated August 12, 2009, wherein claim 15, line 11 has been restated to "if an". The amendment is believed to be compliant now.

Revival of the application is respectfully solicited.

Respectfully submitted
